MESSAGE FROM THE SECRETARY - GENERAL

The Islamic Financial Services marked its 20th Anniversary in March 2023, prompting us to reflect on the past and reaffirm our vision for the future.

These two decades have passed swiftly, filled with a whirlwind of activities including meetings, task forces, working groups, implementations, negotiations, partnerships, reports, and company picnics. Yet, upon closer examination, we discover more than just the daily routine of work. We recognise pivotal moments that have truly made a difference – hiring individuals who became key leaders or exceptional contributors, finding members who understood our value proposition and guide us in serving our members more effectively.

An organisation is only as strong as the people it employs, and in that regard, we have been fortunate. Our success and longevity can be attributed to the remarkable, intelligent, and diligent team members we have had the privilege to hire. Many have been with us for 20 years or more, and their passion and dedication set us apart in this industry. I am also thankful for our members who view us as true partners, where “mutual” is the key to our success. I extend my gratitude to each and every one of you for your hard work, loyalty, and service, and I eagerly anticipate what we can achieve together in the future.

Throughout the years, we have remained steadfast in fulfilling our mission by issuing and facilitating the implementation of global prudential and supervisory standards, as well as other initiatives that encourage knowledge sharing and cooperation. I would like to express my deep gratitude to our esteemed founding members, including Central Bank of Bahrain, Bank Indonesia, Central Bank of the Islamic Republic of Iran, Central Bank of Kuwait, Bank Negara Malaysia, State Bank of Pakistan, Saudi Central Bank, Central Bank of Sudan, and the Islamic Development Bank, for commemorating our two decades of establishment. I offer a special heartfelt appreciation to H.E Tan Sri Dr. Zeti Aziz, one of the founding members of the IFSB, who is a legend in the Islamic financial service industry.

Together, let us celebrate this significant milestone and continue our journey towards a future of excellence and growth in the Islamic financial services industry. I extend my sincere gratitude to all of you for your unwavering support and dedication.

Dr. Bello Lawal Danbatta,
Secretary-General
The IFSB Marked its 20th Anniversary with Honorary Celebrations and Remarkable Membership Growth.

The IFSB has proudly reached a significant milestone in its journey by expanding its membership from a modest 9 members in March 2003 to an impressive count of 189 esteemed members in 2023, hailing from all corners of the globe. This remarkable growth in membership includes 81 regulatory and supervisory authorities, 10 international inter-governmental organisations, and 98 market players, spanning across 58 jurisdictions.

These remarkable milestones have become a glorious banner for the IFSB to proudly display in 2023, as it celebrates its 20th year of establishment. The anniversary festivities kicked off with a momentous appreciation and Eid al-Fitr dinner gathering, which brought together the Secretariat, IFSB members, and stakeholders based in Malaysia. The presence of Tan Sri Dr. Zeti Aziz, former Governor of Bank Negara Malaysia and a founding member of IFSB, added great honour to the evening. Reflecting on the beginnings of the IFSB, Tan Sri Dr. Zeti recalled the collaborative efforts of nine central bank governors from the Middle East and Asia, along with the president of the Islamic Development Bank (IsDB), who worked together over a span of two years to explore the idea of establishing an international prudential standard-setting organisation committed to the sound and sustainable development of the Islamic financial services industry (IFSI). Her heartfelt recollection deeply moved the audience, and in recognition of her invaluable contributions, Tan Sri Dr. Zeti Aziz was presented with the prestigious “Grand Patron Award” by the IFSB Secretary-General Dr. Bello Lawal Danbatta.

He extended tokens of appreciation to the representatives from various esteemed organisations, including Perbadanan Insurans Deposit Malaysia (PIDM), MUFG Bank Malaysia, Cagamas Berhad, CIMB Islamic Bank Berhad, RHB Islamic Bank Berhad, Alliance for Financial Inclusion (AFI), International Islamic Liquidity Management (IILM), World Bank, Islamic Development Bank (IsDB) Center of Excellence, INCEIF University, and Islamic Banking and Finance Institute Malaysia (IBFIM).

The pinnacle of the celebration was reached with the prestigious award presentation, honouring the exceptional staff of the IFSB for their outstanding contributions to the organization over the years. Dr. Danbatta presented the awards on stage, with Tan Sri Dr. Zeti Aziz in attendance. The recipients of these awards were recognised for their dedication and commitment:
